PRINCIPAL'S MESSAGE

The past fortnight has been a busy one as we have formally farewelled our Yr.12 students, begun transition for our 2025 new students and completed some exciting camps in between.

The Yr. 12 Graduation Assembly and Dinner were fantastic events that highlighted the successful journey of our Yr. 12s and acknowledged award winners from a range of year levels. As well as a fabulous speech by this year's former graduate Ashleigh Hull, we were treated to several insights into the achievements of current members of our school community. I would particularly like to acknowledge the behaviour and stamina of our secondary students who represented our school admirably over the 2 hours of assembly. A big thankyou must also go to the chaplaincy Committee for supplying a delicious lunch for yr. 12 students and their families. Congratulations to all award winners, and to all of our students for demonstrating the school values on the day and throughout the year.

Last week we sent a bus load of extremely excited Yr. 5/6 students off to Arbury Park in the Adelaide Hills. This is a fabulous facility and one which provides a range of activities for students to engage in whilst enjoying the surrounds of Bridgewater. I know that the students had a wonderful time and represented our school well. It was a long bus ride there and back, but it certainly appears to have been worth the trek. Camps like this require significant planning and teacher time, so a big shout out to Mrs. Phelps, Mrs. McCallum, Miss Barnes, Mr. Breen, Dana, and Mr. West for taking the time away from families to spend with our students.

Our Yr. 10 Outdoor Education students headed to Streaky Bay for their Beach camp. I know that this is also an extremely popular camp and one which students look forward to every year.

Our 2025 Foundation students have already started transition and are slowly building up to a full day next week. Our Yr. 6 students will be experiencing some upstairs transition in Week 8 as the current Yr. 7s will be on camp. We will be welcoming our new Yr. 7s from Lake Wangary and Ungarra to these days. A Primary transition day will take place in Week 9. This will enable students to spend a small amount of time with their new

CAS DATES TO REMEMBER

Mel

SCHOOL SPORT SA – Sapsasa Tennis

The Lower Eyre Peninsula Sapsasa Tennis Team competed in the Sapsasa State Tennis Championships at Seaclyff Tennis Club from Wednesday 20th to Friday 22nd November. Cummins Area School had Sam Fitzgerald selected in the team and Bronny Fitzgerald coaching. After winning Division 4 last year the LEP team was promoted to Division 3 and played with 7 boys and 6 girls.

Division 3 consisted of five country districts and one city district. The LEP team lost their first match quite easily to Adelaide NE, who then went on to win all their matches and win the division. The next four matches resulted in good wins to Lower Eyre Peninsula which saw the team gain second position in their division, which was a very good effort.

A hot day on Thursday meant a number of players struggled in the afternoon heat. They got their energy back for a team excursion to The Beach House and especially enjoyed the water slide and bumper boats.

Results

- Adelaide NE defeated LEP 13 – 5 sets
- LEP defeated Riverland 12 – 6 sets
- LEP defeated Onkaparinga North 12 – 6 sets
- LEP defeated Southern Fleurieu/Kangaroo Island 11-7 sets
- LEP defeated Onkaparinga South 16 – 2 sets

A huge thankyou to the parents of the Lower Eyre Peninsula players for giving the children the opportunity to compete in the State Carnival, taking time off work to transport them to Adelaide for the three days of tennis. Most families had to find accommodation and it is a huge financial commitment for them.

Thankyou.

Miss Lanie's yr 3/4 Creative Writing

This term, our class adopted Geoffrey, a playful Orangutan from the jungles of Borneo! Inspired by his story, we imagined how Geoffrey might make his way from the jungle to our classroom here in Cummins. Each student created their own exciting adventure, coming up with unique challenges Geoffrey might face along the way—raging rivers, cheeky monkeys, and daring escapes included!

Through this activity, students worked on building imaginative narratives, using descriptive language, and organising their ideas into paragraphs. Their creativity truly shines in these stories, and we're thrilled to share them with you. Enjoy reading about Geoffrey's incredible journey to meet us!

In a Deep Dark jungle in Borneo there was an orangutan named Geoffrey. Geoffrey has always felt like something was missing. He was going on a journey. Geoffrey has orange fur to keep him warm and eyes that sparkled in the sunlight.

Geoffrey's Mum died at birth and his dad ran away. He was very lonely. He always felt like something was missing. He was going on a journey.

CUMMINS AREA SCHOOL CANTEEN UPDATE

CUMMINS AREA SCHOOL CANTEEN BUILDING PROGRESS: Currently, we are awaiting the completion of the final piece of infrastructure—the ramp at the canteen entrance. We are optimistic that this will be finished in the coming weeks. In the meantime, we will continue to offer modified lunch orders on Mondays and Fridays, along with ice cream sales in the Plaza starting at 1:30 PM on those days. Please stay tuned to the CAS Canteen Facebook and CAS School Facebook pages for further updates as we transition into the new canteen.

RRHAN-EC TRAINING: All volunteers are now required to complete RRHAN-EC training. This course, Responding to Risks of Harm, Abuse and Neglect – Education and Care, is a brief online program focused on mandatory notifications and child protection in education. You only need to complete the free Fundamentals Course, which can be accessed through the Education Department’s online learning management system, Plink: Department for Education Plink - Dashboard page. If you don’t have a Plink account, you can create a Non-Department for Education staff account from the Plink dashboard. Some volunteers may have already completed this training, but we aim to have all Canteen volunteers trained within the next six months as we enter the new school year. Once you have finished, kindly send a copy for our Canteen Volunteer records via email to Catherine.Haarsma312@schools.sa.edu.au or drop a copy off in the Finance Office; your assistance is greatly appreciated. For any questions or help with the RRHAN-EC training, please contact Cathy Haarsma.

Student Lunch Passes

Students leaving the school grounds during the lunch break must carry a LUNCH PASS. There are two types of passes.

1. REGULAR LUNCH PASS: These will be issued at the beginning of each year on the written request of parents.

These passes are for students returning to their own home for lunch regularly. This pass is not to be used to access local shops to purchase lunch.

They may be issued to cover one or more days each week.

2. SPECIAL LUNCH PASS: Students are sometimes required to leave school for particular reasons on isolated occasions e.g. hair cuts, personal shopping, lunch at a friends, or a birthday party.

For each occasion, the student requires **a written request from parents through Daymap**. Students will not be permitted to phone home during the day to access a lunch pass.

Students in Year 6 or younger must be accompanied by an adult when they leave the school grounds and have the written consent of their parents if the adult signing them out is not their parent.

Students in Year 7/8/ 9 must have written parental consent and be accompanied by another student the same age or older.

Students in Year 10 - 12 are able to leave the school grounds by themselves provided they have written parental consent. Our preference would be that they don't leave the school grounds alone.

All students who leave the school at Lunch time must sign out at the computer located at the Front Office. They must sign in on their return. This is a WHS requirement and applies to students with both Permanent and Daily Lunch passes.

Cummins Area School Canteen

Stickybeaks Lunch Bags

Paper lunch bag alternatives

\$10.50 each

Our Canteen has available the Stickybeaks Reusable Lunch Wallets/Bags which are great alternative to using the Paper Bags and good for our environment too.

They are available in Pink, Green, Grey, Blue, Red, and Purple and can be easily ordered and paid via our Canteen QKR page under the heading of Lunch Bag, or you can collect and pay at the Finance Office.

2025 Fees

The Governing Council proposes the amounts for the Materials and Services charges for 2025 are \$425 (\$23 increase on 2024) Foundation to Year 6, and \$521 (\$27 increase on 2024) for Years 7-12. These fees are above the minimum set out by DECD by \$125 (\$10 increase on 2024) per student and are detailed in the notices included in this newsletter.

In addition to Materials and Services charges as outlined above, there is a proposal to charge a subject fee for Design & Technology (Technical Studies) per semester as follows:

- Year 9 (WOODWORK) : \$35
- Year 9 (METALWORK) : \$35
- Year 9 (ADVANCED TECHNOLOGY) : \$20
- Year 10 (WOODWORK) : \$55
- Year 10 (METALWORK) : \$55
- Year 10 (ADVANCED TECHNOLOGY) : \$55

It is the intention of the Governing Council to obtain approval for this fee rise via a parent/caregiver poll. This charge will be finalised at the next Governing Council meeting on Tuesday, 12th November at 7pm in the Library. All parents/caregivers/students are invited to attend this meeting and participate. If you are unable to attend the meeting then please contact me or email (CAS.govcouncil@gmail.com) with any questions/feedback prior to this meeting. Alternatively, a feedback box will be positioned in the school front office. Write down feedback and place in the box and please add your contact details if you wish to receive direct contact, information or answers to questions. I am also happy to meet anyone in person to discuss this.

Poll:

The polling process is set out by the Department for Education. Each family receives one vote per student. The poll must be conducted following the Governing Council meeting on 12th November 2024 and will be online. A link will be emailed to school families and there will be a 2 week period for voting to occur. The result will be determined by 50% + 1 of the votes. A poll outcome in favour of the fee rise above the minimum will mean the fees are compulsory (except for students with school cards). A poll outcome against the increase will mean the Governing Council will only seek the amount above the minimum as a voluntary contribution.

Reasoning for increasing fees:

The Materials and Services Charges fees are directed toward the daily use of items set out on the attached notices. Extra funds for these items allows the school to redirect funds within their flexible budget that would otherwise be spent on provision of materials. As a Governing Council, we are constantly looking at options to positively influence the learning of Cummins Area School students. The proposed fee will raise an estimated amount of \$50,000 for the 2025 school year.

This money supports covering some of the costs of our Materials and Services, but further enables:

- Improvement of student access to Information Technology including online services, wireless access, printers and computer hardware.
- Provision of items relevant to a supportive and integrative learning environment.
- The use of the latest advances in curriculum, including printing for students and photocopying of student resources.

Rebecca Habner
Governing Council Chairperson

BYOD LAPTOP PROGRAM FOR YR 7-12 STUDENTS

<https://cummins.orderportal.com.au>

All students from Year 7 to Year 12 are required to supply their own laptop for use at school.

We ask that *ALL* purchases of new laptops for school use, for all year levels, be made via the School Ordering Portal. This alleviates the current issue of the many varied devices being purchased which do not meet the required minimum specifications for use at school.

The online Order Portal provides families with a variety of suitable devices which meet the required specifications, including some accessories, insurance and finance options. The devices found on the portal have been chosen for their battery performance, durability of cases, network compatibility and based on recommendations from industry experts.

Other considerations when purchasing a device for your student:

- **Insurance:** check your home contents insurance to see if the device will be covered
- **Transport between home and school:** device should be carried in a sturdy protective bag away from food & water bottles
- **Charging:** Students must charge their device at home and bring it to school every day fully charged. (Personal power adapters are not to be used at school unless Tag Tested).
- Students have access to **Microsoft Office 365** via their School email account at no cost, providing access to Word, Excel, Powerpoint, One Drive etc. There is no need to purchase this software separately.
- Whilst enrolled at school, students are connected to the school provided internet and are protected by a significant Departmental filtering system that prevents access to many harmful or malicious sites. According to Cummins Area School ICT Acceptable Use Policy, students may use the internet only for learning related activities that are approved by a teacher.
- It is the responsibility of the student / parent / caregiver to setup the Home-Internet connection on the device.
- Students must perform 'Software Updates' on the device as they become available in order to install the latest virus definitions and security patches.
- Students will use OneDrive provided through Office 365 which safeguards work from being lost on a USB etc. Students are also strongly encouraged to backup necessary files in numerous locations, including via email where appropriate. Technology failure is not an approved circumstance for extensions at Cummins Area School.

**Device chosen must take into consideration the types of subjects the student is studying eg; Design related subjects may require an i7 (Senior High School students)*

***Please note; Apple devices are not recommended for use in our school environment as they are not compatible with our school network and will impact your child's ability to access school services such as printing. Apple devices will not be supported by the School IT Department.*

If you have any questions or concerns, including concerns about financial hardship please do not hesitate to contact the school on 8676 2388.

LWT PARENT OFFERINGS

BETTER DEVICES

We only sell education specific and commercial grade devices. Retail devices aren't built for school.

BETTER SERVICE

In LWT Service areas we can have devices repaired onsite in days, not weeks. Keeping your child up and running.

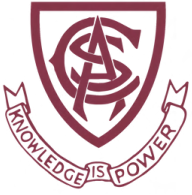

INSURANCE

Accidents at school are common. Our Accidental damage Cover means that you can get devices fixed with minimum cost.

PAYMENT PLANS

We can offer 36 month payment plans from Latitude Finance approved online, or Laybuy options.

November, 2024

Dear Parents/Caregivers,

Students in Year 7 to Year 10 require a scientific calculator to support their learning in Mathematics and at times in other subjects.

The Casio FX-82AU Plus II 2nd Edition scientific calculator can be purchased through the school for a cost of \$39.50 or alternatively, students can provide their own scientific calculator.

Please complete and return the tear off section to the Finance Office or you can phone the Finance Office accompanied by an EFT payment. Paid Calculators can be collected with 2024 Student book packs on Book Collection day (TBA) or collected from the Finance Office.

Regards,

John Wood
Middle School Maths Teacher

Please return to the Finance Office or contact by phone accompanied by an EFT payment.

- I wish to order a Casio FX-82AU Plus 2 scientific calculator for \$39.50
- I will provide my own scientific calculator.
