

Cummins Preschool and Rural Care Quality Improvement Plan Goals

2018

Wellbeing

Promote physical activity, appropriate for each child.

Promote and implement effective health, safety and wellbeing policies and procedures.

Continue to develop effective transition processes within and across our whole site.

QA 2, 3, 6

Pedagogy

Plan and promote curiosity in learning through deliberate, purposeful and thoughtful decision making and actions.

Create outdoor spaces to maximise opportunities for play in the natural environment.

Challenge children in their learning through questioning and dialogue to promote thinking and curiosity.

Plan for collaborative projects initiated by children.

QA 1, 3, 5

Literacy and Numeracy

Support and grow every child's literacy and numeracy skills and understandings through a strong planning cycle.

QA 1

Staff Development

Develop up-to-date staff induction and information.

Continue to develop efficient and effective performance and development processes.

QA 4, 7
