## PRINCIPAL'S MESSAGE

This week we farewell our Yr. 12 students for 2021. As of Friday their formal secondary education is complete except for the examinations which will occur over the next fortnight. We are incredibly proud of this group of young adults. They have demonstrated resilience and independence throughout the year and have got to this point with a minimum of fuss. We wish them luck with their exams and look forward to farewelling them more formally on November 25<sup>th</sup> at their Graduation Assembly.

This week also sees Suzie Millard heading off on Long Service leave to explore a career as a farmer. Suzie has been a mainstay in our Front Office for a considerable number of years and there is a wealth of knowledge stored in her brain that we will no doubt need to call on over the next two terms whilst she contemplates her future pathway. Have a great time Suzie – I hope your farming career working with your partner is far more successful than most of us have experienced working with our partners and husbands! We are thrilled to welcome Sheree Duffield who will be filling Suzie's shoes for the next two terms.

Our Preschool students have started their transition into the Junior Primary. It is amazing to see how little they seem compared to our current Foundation students – a year is certainly a long time in the life of a four year old. Mrs Fleming is taking transition and introducing the students to the ways of Cummins Area School and we will see their time here build up over the next few weeks.

Obviously we are now at the stage where we are working through class structures for 2022. This is a long and complex process and one in which we put a lot of thought. Multiple factors are considered, such as friendship groups, academic needs, class configurations and group dynamics. Please be assured that these decisions are not undertaken lightly.

Last week I had the pleasure of attending the Yr. 10 Youth Opportunities Graduation. This event never disappoints and it was reaffirming to once again hear the benefits our students feel that they reap from this program. Speaking in front of your peers and an audience of parents, community and staff is hard enough – to speak about your personal growth from this program is another layer again. It is little wonder that there was a sense of awe from the audience (and a few tears). A huge thank you to Paul Stoddard and Lucy Pedler for running the course and to the Cummins and District Branch of the Bendigo Bank for their ongoing support – this was the thirteenth year of sponsorship for this program. We are truly privileged to be able to offer this to our students and it would be a struggle without the

Government of South Australia  
Department for Education

**RESPECT**

**CO-OPERATION**

**RESPONSIBILITY**

**DOING OUR BEST**

Bank's support.

Our Yr. 5 students are off experiencing Errappa this week. This camp is another example of the opportunity for our students to experience personal growth through expanding their comfort zones. It is a great camp that tests boundaries and sees students achieve heights (literally and metaphorically) that they have never achieved before. A huge thanks to the staff who have given up their time to take students and to JR who has been a long-time supporter of this trip. Expect lots of photos of high wires and Leaps of Faith to be present in our next newsletter.

Have a great fortnight.

## SCHOOL SPORT - SAPSASA GIRLS FOOTBALL

2021 saw the introduction of a Girls Football State Sapsasa Championship Carnival. This was held at West Beach Parks from Monday 18<sup>th</sup> to Wednesday 20<sup>th</sup> October. Three extremely excited Cummins girls, Sharmaine Crosby, Annabelle Shirley and Zora Curtis travelled to Adelaide in the Lower Eyre Peninsula Team. The team competed in Division 2 and won 4 matches and lost 5 ending up equal 4<sup>th</sup> with Southern Valley.

### Results

LEP defeated Southern Valley 2-5 to 1-4

LEP defeated Riverland 4-4 to 3-3

LEP defeated Upper SE 2-2 to 2-0

LEP defeated Lower SE 4-0 to 2-2

Barossa & Light defeated LEP 6-4 to 2-5

Tea Tree Gully defeated LEP 3-7 to 0-0

Port defeated LEP 6-1 to 4-0

Barker defeated LEP 4-5 to 0-1

Southern Fleurieu defeated LEP 0-4 to 0-3

The girls thoroughly enjoyed the experience and were exhausted after playing nine matches in three days.

## SCHOOL SPORT - YEAR 8-10 MIXED TENNIS CARNIVAL

Cummins Area School hosted the annual Year 8-10 Mixed Tennis Carnival at the Cummins Town Courts on Friday 15<sup>th</sup> October. There were five schools competing, which was many more than the usual three. St Joseph's School, Navigator College, Tumby Bay Area, Streaky Bay Area and Cummins Area made up the schools in the round robin format.

Teams of eight students competed in doubles to 9 games, with the top double playing all the other schools top doubles, second doubles playing all the other schools second doubles etc.

St Josephs School were undefeated on 12 points, with Cummins a close second on 10 points. Cummins defeated Tumby Bay, Streaky Bay and Navigator College 4 sets to 0. St Joseph's 3 sets 31 games narrowly defeated Cummins 1 set 29 games. The result depended on the last double played with Cummins losing 9-8 in a tie break.

Congratulations to all students for their determination and good sportsmanship. Well done to Riley and Amity on winning all of their four doubles during the day.

# GOVERNING COUNCIL UPDATE – MATERIALS AND SERVICES FEES FOR 2022

## 2022 fees:

The Governing Council proposes the amounts for the Materials and Services charges for 2022 are \$368 (\$7 increase on 2021) Foundation to Year 6 and \$449 (\$9 increase on 2021) for Years 7-12. These fees are above the minimum set out by DECD by \$115 per student and are detailed in the notices included in this newsletter. It is the intention of the Governing Council to obtain approval for this fee rise via a parent/caregiver poll. This charge will be finalised at the next Governing Council meeting on Tuesday, 9th November at 7pm in the Library. All parents/caregivers/students are invited to attend this meeting and participate. If you are unable to attend the meeting then please contact Chairman Kris Speed (0429922955) or Julie Crettenden ([CAS.govcouncil@gmail.com](mailto:CAS.govcouncil@gmail.com)) with any questions/feedback prior to this meeting. Alternatively, a feedback box will be positioned in the school front office. Write down feedback and place in the box and please add your contact details if you wish to receive direct contact, information or answers to questions. I am also happy to meet anyone in person to discuss this.

## Poll:

The polling process is set out by the Department for Education. Each family receives one vote per student. The poll must be conducted following the Governing Council meeting on 9th November 2021, in written form and will be posted/sent to each family. A 2 week period for completion and return will occur. Only returned votes count and 50% + 1 of the returned polls will determine the result. A poll outcome in favour of the fee rise above the minimum will mean the fees are compulsory (except for students with school cards). A poll outcome against the increase will mean the Governing Council will only seek the amount above the minimum as a voluntary contribution.

## Reasoning for increasing fees:

The Materials and Services Charges fees are directed toward the daily use of items set out on the attached notices. Extra funds for these items allows the school to redirect funds within their flexible budget that would otherwise be spent on provision of materials. As a Governing Council, we are constantly looking at options to positively

influence the learning of Cummins Area School students. The proposed fee will raise an estimated amount of \$40,000 for the 2022 school year.

This money supports covering some of the costs of our Materials and Services, but further enables:

- Improvement of student access to Information Technology including online services, wireless access, printers and computer hardware.
- Provision of items relevant to a supportive and integrative learning environment, including headphones for each student.
- The use of the latest advances in curriculum, including printing for students and photocopying of student resources.

## Kris Speed

## DANIEL DAY 2021

With many thanks to the parents, students, local businesses, and community organisations, on Friday the 17<sup>th</sup> of September, Daniel Day 2021 ran extremely smoothly. It was wonderful to see students and teachers alike dressed up in all their wonderful costumes, to support such a great cause. The recess bake sale paired with the challenging lolly jar guessing game proved to be a massive hit amongst students. Additionally, the lunch time food orders turned out superb and wouldn't have been possible without the support and generosity of the Cummins IGA, Cummins Meat Store, Cummins Takeaway and Deli, Institute Hall, the local Lions Club, Mardi Green, Leanne Vigar and Cathy Haarsma. Through our collective effort we managed to raise more than \$2510 to go toward supporting Daniel in his education in Tanzania.

## CANTEEN TERM 4, 2021

### CAS Canteen update - Week 1

Welcome to Term 4! We are really excited to have volunteers allowed back in the canteen this term and thank you for volunteering your time to help out our school.

As always, you can find the *Weekly Specials* on the **CAS Canteen Facebook page** and on QKR! every Sunday evening. As the weather warms up, we have plenty of ice-creams, slushies, cold drinks and fruit salads, along with all the usual lunch time favourites. You can always order wraps, sandwiches and paninis with your choice of fillings. Recess is available through QKR, students just need to come to the canteen at recess to collect their order.

The QKR! App is the preferred way to order recess and lunch for your child. It is quick, easy and cash free. Just ensure you have selected the correct class for your child, so their lunch ends up at the right place. You can also now pay off canteen debts via an IOU option on the opening screen of QKR.

If volunteering in the school canteen is something you would like to do, please let Carrie 0427765029 or Sophie 0418813995 know. Then contact Cathy or Leanne at the School Finance Office to arrange a free *Working with Children Check* or if you already have one, please forward it to:

[catherine.haarsma312@schools.sa.edu.au](mailto:catherine.haarsma312@schools.sa.edu.au)

Volunteering at the canteen is a great way to get to know the students and help out your school community. Duties include serving at lunchtime, prepping food and cleaning up.

It's great to see more and more students take up the option of Reusable Lunch Bags. They are available from the School Finance Office or you can order one on QKR for just \$10.50 and they come in a range of colours. Your child just pops their reusable lunch bag into their class basket in the morning and their lunch is served in that, instead of a brown paper bag, helping reduce wastage.

The current volunteer roster is above. Please sign in at the Front Office and staff will direct you how to access the canteen during the build. If you can't make your shift, please arrange your own swap and advise Carrie 0427765029 or Sophie 0418813995.

Thanks for your support.  
Carrie & Sophie

CUMMINS, SA 5631

**Dear local business owners and families,**

**The Cummins Area School Preschool & Rural Care Parent Committee are looking to update our Preschool outdoor learning environment.** The outdoor area of the Preschool has not had an upgrade since 2008. The existing playspace is very weary looking, aged and has seen many children use this space over the years. A new facility will provide nature play spaces, such as a river pebble channel, insect hotel, stick cubby, musical playboards, tactile playboards, and a tepee, as well as new equipment to enhance the children's gross motor skills such as trampolines, a trinet and rope traverse for preschool children. This will all be inclusive to those with special needs.

The project will further align with the Preschool Early Years Learning framework program. Outdoor play is a fundamental part of a child's development and the provisions of such areas have the ability to create a sense of wonder, generate curiosity, and spark the imagination of young learners. The improvement to our tired area of play will improve the physical, educational and mental wellbeing of preschoolers. It will inspire respect for nature, while allowing a safe experience. It will also encourage interaction, independence, self-confidence, exploration, and curiosity to help develop risk-taking skills in a safe and secure learning environment. This area will become an alternative learning space to the indoor facility and will work exceptionally well in providing an integrated facility where young children can experience creative learning and fun.

The current enrolment at the preschool is 23, however it has been considerably higher in recent years, and is projected to be higher again in coming years. The area is also used for Playgroup occasionally, and the adjacent Rural Care facility uses the grounds for it's After School care program, and on non-preschool days, as well as integrating the Rural Care children into the Preschool program.

As you can imagine, this is a significantly large project in both scale and cost. So far we have received some funding from Cummins District Financial Services, and are in the process of applying for grant funding from a few other organisations. We also hope to write to other local businesses to give them, along with local families, the opportunity to play an important part in this redevelopment through monetary donations. **Would your business or family be willing to contribute something toward this project?** We do not have specific amounts in mind, and would be incredibly grateful for any donation large or small. For donations of \$1,000.00 or above, you will be acknowledged with a plaque that will be incorporated amongst the play area.

Alternatively, you could sponsor the purchase of a larger play item (starting at an estimated cost of \$3,500) such as:

- Tepee
- Trinet & Rope Traverse
- Puzzle Play Board
- Skill Tester Play Board
- Climbing Ramp

If you're able to contribute to our project in any way, please contact Ashley Lawrie (Treasurer) on 0429 855 360 or by email [ashley.lawrie@outlook.com](mailto:ashley.lawrie@outlook.com) to discuss this further. Otherwise, donations can be made to: *Cummins Area School* - BSB 633000 - Account 112105770 - reference "*Donor's Name – Preschool*". Please email your remittance to [dl.0754\\_finance@schools.sa.edu.au](mailto:dl.0754_finance@schools.sa.edu.au).

We thank you for your consideration.

Kind Regards
