PRINCIPAL'S MESSAGE

Week 5 marks the loosening of some restrictions on DfE sites. We are thrilled that we can now recommence some of the community activities in the library and look forward to our rescheduled swimming lessons next week. Whilst we have had to make some alterations to the program of lessons due to the availability of instructors – many of whom have ventured off to university for the year – the week will culminate in our fabulous Swimming Carnival. Hopefully, the weather plays nicely to ensure we get a solid run at the week.

House Captains have been elected and I had the opportunity to listen in on some of the campaign speeches. It was impressive to hear students identify the traits that they felt would make them good leaders of their sports houses and to then have the confidence to present them to their peers. Well done to the Sports Committee for taking a proactive approach to building the profile and expectations of this role within our school and congratulations to all of the successful candidates.

Last week the AGM of the Governing Council was held. It was a sombre moment as our outgoing Chairperson and Secretary officially handed over their roles and left the meeting. Once again, I would like to thank them for their support and contributions. We are incredibly lucky to have members of such calibre giving so much to the school over an extended period. I'd also like to acknowledge the work of outgoing members Sarah Bascombe, Annika Swaffer, Tegan Stephens, Kerry Eagle, Katrina Phelps and Jacqui Phelps. Please know that you are welcome back at any time to continue the valuable contributions you have made over the past few years. Our new Chairperson is Danielle Meaney, with Bec Habner continuing as Treasurer and Guy MacGillivray our new Secretary. Whilst we have a few fresh faces on the team, there is always room for more, so please think about joining us at our next meeting if you are interested. We hold two meetings per term – one face to face and one on WebEx so if physically attending is challenging at certain times of the year you can be a part of it all whilst sitting in the warmth of your own home.

Attached to this newsletter is the Cummins Area School Grievance procedure. I have placed this in here not because I anticipate issues arising but so that there is clarity on who to contact if something does concern you around the education of your child/ren. Please have a read and we will ensure this more user-friendly version is also uploaded to the website as soon as possible.

We certainly have a few busy weeks ahead of us with Swimming Carnival, a

long weekend and Sports Day looming fast. We would love to see as many parents / family members as possible at our two major sporting events for the year. I know how much the students enjoy the atmosphere of big crowds of people gathering to watch them race and try their absolute best to get points for their team. Whilst they are days that take a lot of work to get up and running, they are well and truly worth it to watch everyone working together as teams and supporting each other.

Have a great fortnight and I look forward to catching up with you all in the next few weeks at Swimming Carnival and Sports Day.

We have noticed that a number of our students are arriving early in the mornings. Please note that as the school day does not commence until 8.30 am there is no one on yard duty and therefore no supervision in the yard before this time. Not only is this a physical safety concern for our students but we also know that a bumpy morning can make the whole day challenging for many of the children and young adults attending our site.

CANTEEN TERM 1, 2022

Hello, it's week 5 and the good news is, this week we are allowed to have our awesome volunteers back in the canteen. Please find an up-to-date roster below and thank you to everyone who has already organised their swaps. You may find yourself not on the roster this term, due to a lack of available days but we look forward to welcoming you back in Term 2. You will be asked to provide proof of your COVID vaccinations at the Front Office on your first shift back. As always, your support is greatly appreciated.

Thank you to the school community who have adjusted well to our change in operating days for Term 1. Whilst we are closed Mondays and Tuesdays this term, we are fully operational on Wednesdays, Thursdays and Fridays. Still offering a full menu and delicious new specials every week – see the CAS Canteen Facebook page or QKR for the weekly updates.

If you haven't yet downloaded the QKR! App, now is the time to do so. It is the preferred way to order recess and lunch for your child. Cash orders are still accepted. QKR is quick, easy and cash-free, be sure to update your child's new class on the App, so their lunch is delivered to the correct classroom.

It's fantastic to see more and more families purchase reusable lunch bags. For just \$10.50 they are a great environmentally friendly option. They come in a range of colours and can be ordered on the QKR! App or by visiting the School Finance Office. Your child just pops the bag into

their class basket in the morning and their lunch is served in that.

We now have gluten-free wraps available to order, along with the chicken-fried rice, bliss balls and fruit salads as gluten-free options. We are also now offering multigrain Paninis along with white.

Thanks for your support and have a great week.

SLSA OUT OF THE BOX PROGRAM: BOARD GAMES FROM THE PAST

Students have been enjoying the giant board games from the State Library of South Australia.

We have them available for classes to utilise, or for families to enjoy after school hours for the month of March.

They offer unique, fun, educational experience.

We were delighted to welcome the Foundation class of 2022 to the Library, to join Barbie for a nature craft activity. It certainly was a lovely time!
