PRINCIPAL'S MESSAGE

Welcome back to Term 4. This is traditionally a very busy term, with not only the completion of the 2022 school year taking place but also the preparations for 2023.

With subject selections almost completed we are working on staffing for 2023 and this will also involve class placements and structures. There are a number of Outdoor Education camps, the Yr. 7 camp, F – 6 Swimming lessons, the Graduation Assembly for Secondary students and families and this year we will also be holding a final assembly for the JP/Primary students. More information about all of these events will follow.

The newly bitumised Bus Bay is back in operation and has provided a fantastic surface for the buses to move through the school. We are thankful that we can now go back to having McFarlane St as a much safer pick up and drop off zone without the added congestion of buses. Thanks to everyone for their patience and caution whilst this was in play.

This week we will begin transition for the 31 preschool students who will be starting at Cummins Area School in 2023. We can't wait to welcome this cohort into our school and begin their formalised educational journey with them.

Last Friday was the Secondary tennis Interschool event at Cummins. This has been managed by Bronny Fitzgerald and is a wonderful opportunity to show off the tennis facilities of the town.

On Monday evening at 5.30pm there is a meeting for families of students in yrs. 9 and 10 who are interested in hearing about the School Based Apprenticeship and VET options available in 2023. This will include information on how it supports students achieving their SACE and the requirements regarding training, days available etc. If your child is even remotely interested, please respond to Kirsty Fox who will be running the session. It will be available as a face to face or online session.

Our Health and Wellbeing students have organised a day in recognition of RUOK day this Tuesday. It has been fabulous watching them take this passion project onboard and drive the whole concept.

We look forward to the warming up of the weather and the completion of a remarkably busy year. With harvest just around the corner we are also aware that it gets more complex at home with families being under the pump. Please don't hesitate to contact your child's teachers if you have any questions or concerns as we navigate through it all.

Mel

ATEC FINALIST 2021

Saxon Rogers was awarded as an ATEC FINALIST for the School Based Apprentice of the Year 2021 - he is pictured here with his Award, finally after Covid delays. Saxon is employed at Cummins Bearings and Engineering and is in his second year of his School Based Apprenticeship and is very grateful to Robyn, Clint and the team at CBE for all their training and support. Congratulations Saxon!

YEAR 7-10 MIXED TENNIS CARNIVAL

Friday 21st October saw Cummins Area School host the annual Year 7-10 Mixed Tennis Carnival at the Cummins Town Courts. A round robin format was played with the four schools involved - Cummins Area School, Tumby Bay Area School, St Joseph's School and Streaky Bay Area School. Each school played with 10 players and a double and a single were played against each school. Cummins Area School was undefeated winners of the carnival with St Joseph's second.

Results

- Cummins defeated Tumby Bay 14 - 1 sets
- Cummins defeated Streaky Bay 14 - 1 sets
- Cummins defeated St Joseph's 8 -5 sets (two sets not completed due to time restrictions)

TERM 4 2022 - CANTEEN REPORT

Our School Canteen seems to be going very well with our wonderful Canteen Supervisors in Carrie and Sandra cooking up plenty of very delicious specials each week and freshly made recess snacks for all our students, staff and visitors during the past term and our new Term 4 menu options will be just as good during the coming warmer months.

If you or anyone in the school community has excess fruit, vegetable or other produce that the Canteen could use in their home - prepared food, please feel to contact the school directly or simply just drop off the Front office. All donations would be gratefully received.

We have also Reusable Lunch Bags for \$10.50 in some great colours and are available for purchase either via the Finance Office, on QKR App or by visiting the Canteen. Our QKR App is still the preferred way to order recess and lunch for your child and it a very quick, easy and cash-free option but we will still accept cash orders.

A big Thank You to all our Canteen Volunteers who come every week to help and assist Carrie and Sandra, we really appreciate the time they give to ensuring our canteens great success. Our new Term 4 Volunteer Roster is out and if you were considering helping out for a shift all you need to do is contact Catherine Haarsma on Catherine.Haarsma312@schools.sa.edu.au All volunteers are required to have a current WWCC of which is an easy process if you haven't already one.

Starting times for Monday - Thursday - 12.00noon - 2.15pm
Friday Starting time : First listed - 11.50am - 2.00pm
*Second listed : 12.30pm - 2.15pm

CUMMINS AREA SCHOOL MERCHANDISE

We have plenty of stock available from the Finance Office for any new 2023 students and replacements for any old and possible Xmas Gifts. Please see Leanne Vigar or Cathy Haarsma to purchase any of the School stock.

**AUTHOR/ILLUSTRATOR
VISIT:
ANDREW JOYNER**

**Tuesday, November
8, 9.00 - 11.30
Week 4**

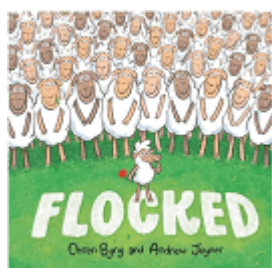

Our library, as part of the EP Libraries Hub, have been incredibly fortunate to receive funding from the Libraries Board Innovation Fund, to bring children's author and illustrator, Andrew Joyner to the Eyre Peninsula for a week. He has a very tight schedule, visiting 9 libraries in 5 days, and we feel very privileged to be included in this visit, trying to be as inclusive as possible.

Andrew is a South Australian illustrator and author of children's books. His illustrations appear in 'Too Many Elephants in this House' by Ursula Dubosarsky, 'The Swap' by Jan Ormerod, 'How Big is Too Small' by Jane Godwin and 'Dr. Suess's Horse Museum.'

He has also written and illustrated the chapter book series, 'Boris' about a winsome and adventurous warthog.

Andrew's most recent books include: 'The Pink Hat', 'Love Was Inside' and 'Stand Up, Speak Up', covering current issues in meaningful and empathic ways

PROPOSED PROGRAM:

9.00 - 9.15am: Storytime
Year 2/3: Jacqui Phelps, Kylie Thorpe

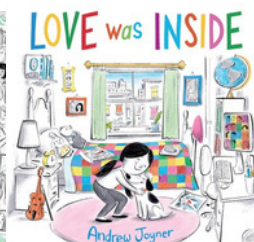

9.20 - 9.35am: Storytime
Year F, 1: Georgia Nourse, Candy Kerr/Renae Birkin

9.45-10.00: Storytime
Baby Bounce, Rural Care, Pre-School

10.15 - 10.55: Draw a Story, Write a Picture
Year 3/4: Maddie Strauss, Kiara Freeman.
Andrew demonstrates drawing a scene, and how to use the drawing to create a story. Students are welcome to draw/write within the session. Includes a fun interactive reading.

11.00-11.15 Morning tea
in library for staff to meet and greet with Andrew.

11.30-12.00: Andrew departs for Lock.

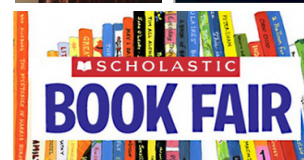

**Libraries Board
Innovation Fund**

SAVE THE DATES:

Wed. Nov. 16 @ 1.30pm: Former student, Maddy Te Whiu, showcasing her debut novel, 'The Assassin Thief'.

**Scholastic Book Fair - One Week Only:
Monday Nov. 21 - Monday Nov. 28**

Australian Childhood Anxiety TREATMENT STUDY

Free home-based assessment and treatment for 7 to 12 year old children with fear and anxiety disorders.

Does your child become very afraid of certain situations or objects, worry about a lot of things, get very distressed, or try to avoid things they fear?

About the study

Our team at Griffith University may be able to assist you. We are conducting a nationwide study that includes the following services at no cost to families:

- A thorough assessment of your child's anxiety with a trained psychologist via the telephone;
- Your child receiving one of two kinds of home-based treatments delivered on a PC, laptop or tablet; and
- Two follow-up telephone assessments with a trained psychologist 6- and 12-months after treatment to track your child's progress.

The study aims to find out if these two treatments are as effective as each other, and which children have the best response to each kind of treatment. This will mean that there are more evidence-based treatments available for helping anxious children.

About the treatments

Each treatment involves your child completing treatment sessions at home on a PC, laptop or tablet.

Each treatment involves your child learning practical strategies to better manage anxiety.

- One treatment helps children learn to control the focus of their attention on helpful things around them.
- The other treatment helps children learn to think differently and approach things they fear.

Each treatment includes information, telephone or email support for parents in assisting their child to better manage anxiety.

Prior studies have shown that children who complete each treatment experience significant reductions in anxiety.

Contact us

This study is being funded by the National Health and Medical Research Council and is led by Professor Allison Waters and a team of experts in childhood anxiety disorders.

For more information about our study and our team, or if you would like your child to participate, please contact us:
